

# FISCAL YEAR DATA (October 1 - September 30)

Ending year denotes Fiscal year

FY2004-FY2007 Select Alabama Monthly Gill Net Landings from Alabama Trip Tickets based on FISCAL Year

To Be Used in Comparison with the Number of Yearly Licensed Fishermen

The following figures will not coincide with landings figures extracted from NOAA/NMFSS. Fish harvested solely in Mississippi waters but landed in Alabama have been excluded from this dataset.

Values represent dockside values only, not market values.

ALL 2007 data is PRELIMINARY and subject to change.
