**IT SHALL BE UNLAWFUL:**

- To hunt, trap, use dogs, possess firearms, ammunition, traps, bow and arrow, or crossbows without a valid permit. A permit is valid only during scheduled management and refuge area seasons during legal hunting hours and only with weapons and ammunition permitted for hunting the wildlife listed on permit. **See (20) below.**
- To use dogs for stalk hunting of deer or for turkey hunting.
- To use dogs for hunting, training or any purpose from March 6 until August 31.
- For any person under 16 years of age to hunt on the management area unless accompanied by a licensed hunter at all times.
- For any person to carry firearms in or on vehicle with ammunition in the magazine, breech or clip attached to firearms, or black powder weapons with primer, cap or flash powder in place, or cocked crossbows. **See (20) below.**
- To camp in the management area except in designated sites. On management areas located on U.S. Forest Service lands, this camping restriction applies from October 1-January 31. Individuals or groups may camp on the management area for a period not to exceed nine (9) days in any 30 day period. Campfires must be extinguished before departing. No warming fires shall be permitted away from camping area.
- To kill or willfully molest any species of wildlife except those designated for hunting. However, this regulation shall not apply to bobcat, fox, feral swine and coyote which may be killed during all scheduled management area hunts, during daylight hours only, when possessing a valid permit and using weapons and ammunition that are legal for such designated hunts. Only one (1) fox per day may be harvested.
- To discharge fireworks at any time.
- To discharge firearms for target practice.
- To hunt or discharge firearms within 150 yards of any camping area, dwelling, dam or timber operation, or within 100 yards of any public road, highway, or within a posted safety zone or on Sunday within one-half mile of a church, or from within the right-of-way of any developed road (paved or unpaved), which is open for vehicular traffic.
- To transport deer killed during the archery, gun and primitive weapons hunts from the management area before being examined at the checking station for scientific data or recorder at check station or kiosk.
- For any person except authorized personnel to operate any motor driven vehicle behind, under or around any locked gate, barricaded road or sign which prohibits vehicular traffic.
- For any unauthorized person at any time to operate any unlicensed motor driven vehicle on any wildlife management area (WMA) except on regularly used roads open for public use by four wheel vehicle traffic and except on U.S. Forest Service land in a WMA where all-terrain vehicles (ATV) must be used on open designated ATV trails only; or to ride or possess horses except on roads and trails open to four-wheel motorized vehicles or on roads and trails or in areas designated as open to horses.
- For any person to hunt deer or feral swine on days of scheduled gun or primitive weapons hunts without wearing an outer garment above the waist with a minimum 144 square inches of hunter orange color, or either a full size hunter orange hat or cap. The hunter orange must be of solid color, except for a small logo on the front of the cap, and visible from any angle.
- For any person except authorized personnel to block or otherwise stop traffic on any road by parking a vehicle in such a way that passage around the vehicle is impossible.
- To deposit, distribute or scatter grain, salt, litter, or any other materials on management area prior to receiving approval from the Department of Conservation and Natural Resources.
- For any person to damage or remove any trees, crops or other plants, dirt, gravel or sod from management area without legal authorization.
- To erect or use a permanent tree stand or scaffold on management area without written permission from the landowners.
- To hunt from an elevated stand or platform without attaching themselves to the tree or platform with a **full body safety harness** capable of supporting their weight.
- Nothing in this regulation prohibits or requires a wildlife management area permit for the possession of handguns by lawfully licensed persons for personal protection, provided the handguns are not used to hunt or take or to attempt to take wildlife except as otherwise provided by this regulation.
- Users should refer to WMA Regulation 220-2-.55 for the complete list of WMA specific regulations.

**WMA is provided by the Wildlife Section of the Division of Wildlife and Freshwater Fisheries, Alabama Department of Conservation and Natural Resources, in cooperation with the U.S. Forest Service, Kaul Lumber Company, Hancock Timber Resource Group and other private landowners.**
