ADDENDUM No. 2  
REQUEST FOR QUALIFICATIONS  
**TRAILS AND FACILITIES**  
Issued: August 5, 2022

*To All Potential Respondents: This Addendum is issued to modify the previously issued RFQ documents and/or is provided for informational purposes, and is hereby made a part of the RFQ documents.*

**RFI 1) Does the consultant team have to cover all services in the RFQ? Or can firms apply for specific services- for example, just trail work?**

Response: Firms may include in-house design professionals and sub-consultants in their proposals. If these are “individuals who will have major contract responsibilities and/or provide unusual or unique expertise” as defined in the GSA Standard Form 330, please include them in your GSA SF330.

**RFI 2) What are the insurance requirements for the Trails and Facilities RFQ and Comprehensive Boating Access Facilities RFQ that are due 8/15/22?**

Response: Regarding insurance coverage, a firm should provide a copy of its existing policy or policies. If selected to be awarded a contract, ADCNR will specify the minimum insurance coverage and the required “additional insureds” language.
