

LEWIS SMITH

PHYSICALLY DISABLED HUNTING AREA

From Jasper:

Travel north on highway 69 approximately 11 miles to Smith Lake Dam Road. Near the intersection of Smith Lake Dam Road and Highway 69, turn onto the paved road that travels north to the old bridge over the Sipsey Fork. The old bridge is barricaded and no longer available to vehicular traffic.

At the barricade, enter through the red gate on the right.

Proceed to the shooting house at lower end of field.

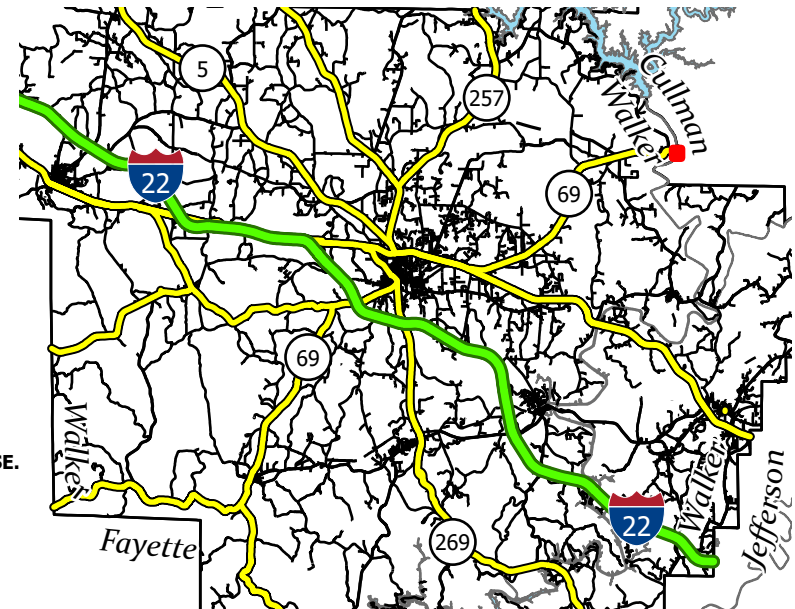

CENTERFIRE RIFLE OR SHOTGUN ONLY

From 1-65 exit 299 in Cullman:

Travel south on highway 69 approximately 17 miles to the river bridge over the Sipsey Fork and continue approximately 0.25 miles to the Smith Lake Dam Road. Turn left onto the old road that parallels highway 69 and travel back north to the old barricaded bridge. At the barricade, enter through the red gate on the right. Proceed to the shooting house at lower end of field.

CENTERFIRE RIFLE OR SHOTGUN ONLY

Season is Tuesdays, Thursdays, and Saturdays from November 19th to February 10th. Bag limit is (1) deer per day and three (3) deer per season. All antlered bucks harvested must be included as part of the annual statewide three (3) buck limit. No archery hunting; the shooting houses are designated for gun hunters only. **CENTERFIRE RIFLE OR SHOTGUN ONLY**

 Physically Disabled Hunting Area
