THE FOLLOWING APPLIES TO THE SWAN CREEK DEWATERING UNIT

- It shall be unlawful for any person to leave any vehicle parked at the established launching sites. Hunters must use designated parking areas. However, physically disabled persons with approved handicap vehicles may be parked at the designated handicap parking location at the main launch only.
- It shall be unlawful to construct and/or utilize permanent waterfowl hunting blinds (those using building materials, flooring, or floatation and/or remaining in position overnight) anywhere on the Swan Creek WMA. All such blinds shall be disposed of as deemed advisable by the Wildlife and Freshwater Fisheries Division of the Department of Conservation and Natural Resources.
- It shall be unlawful for any person using waterfowl decoys on Swan Creek WMA to leave said decoys out overnight.
- All boats and/or boat blinds used for hunting waterfowl shall be launched and removed daily.
- It shall be unlawful for any person to fish from October 31st through the second Saturday in February.
- All activity is prohibited when gates are closed. There shall be no activity from 7:00 PM to 4:30 AM during the periods when gates are open.
- It shall be unlawful to use airboats.
- Boat blinds must meet all U.S. Coast Guard Minimum Requirements for Recreational Boats. Life vests and kill switches must be worn at all times when the boat is under power and in motion.
- Permit holders and guests shall only hunt on their assigned dates and within thirty (30) feet of their hunt location marker.
- It shall be unlawful for any limited quota permitted hunter to hunt without checking in and out of Swan Creek WMA daily using the Outdoor Alabama WMA Check-In Application or with a daily permit from self-service kiosk. When using daily permit, the tear-off stub with number matching daily permit must be filled out and deposited in return slot of self-service box. The Harvest Report portion of the permit is to be retained in possession of the hunter until the end of the day, then filled out and deposited in the self-service box before leaving Swan Creek WMA each hunt.
- It shall be unlawful to access or hunt on Swan Creek DWU unless selected for a limited quota permit for a specific hunt date(s) and hunt location. The permit holder and three properly licensed guests may only access and hunt the DWU and hunt location for those permitted times and days. For the weekend hunts, the guests may be different people each day. The permit holder must be with hunting party during each hunt.
- Permitted hunters and guests may enter Swan Creek DWU at 4:30 AM; Hunting may begin at legal shooting hours; all hunting activity is prohibited after 12:00 noon; and all parties must exit the DWU no later than 1:30 PM. It shall be unlawful to leave assigned hunt location except when retrieving a downed bird or departing the DWU for the day.
- Hunters must refer to WMA Regulation 220-2-.55 and Swan Creek WMA Regulation 220-2-.165 for the complete list of WMA regulations.
